Subject: FW: Bristol Bay CEDS-free tool for Development solicitation for 2019 objectives.

Importance: High

Sending this to my wonderful steering committee. This went out to a very extensive list but please feel free to share in case I missed someone.

The 2019 CEDS is now officially under construction!

Happy Holidays!-stay warm out there.

Please feel free share with others in your organization or beyond.

The Bristol Bay CEDS is a Free Tool for turning dreams into development:

Every year BBNA's Economic Development Program compiles data and information on our region's economy for the **Comprehensive Economic Development Strategy (CEDS)**. The CEDS is a development tool for our region to; **reduce redundancies, help your community obtain funds, plan for the future needs, and create partnerships.**

Accessing the Tool

Who is the CEDS for?

Everyone, not just tribes.

What is the ask?

Be a part of our regions planning process and get regional support for your projects.

When do I get involved?

BBNA's Economic Development Program is asking for objectives now with a deadline of January 18, 2019, with a public comment period from January 25 to February 26, 2019.

Where do I go to get involved?

BBNA's Economic Development Program- contact information is below.

Why participate?

Participating in your regions planning process will often guarantee extra points with funding applications with your projects and vet your projects with our regions leaders (the CEDS steering committee).

Funding and Partnership Opportunities with the BBCEDS

The Bristol Bay CEDS steering committee would love to support your projects, currently the CEDS is focused on but not limited to the following:

- **Fisheries:** Support development efforts within the fishing industry to promote the regions seafood and support existing fisheries opportunities in the region for the purpose of promoting local participation.
- **Workforce:** Collaborate as a region to strengthen Bristol Bay's work force through: education opportunities, promotion of small business, and combating substance abuse.
- **Transportation and Infrastructure:** Support Transportation and Infrastructure needs in the region to promote strong communities.
- **Energy:** Create long term energy security, support energy infrastructure development, and promote efficient use of existing energy-related resources within Bristol Bay.
- **Tourism:** Increase visitor-related opportunities; promote Bristol Bay as a destination for visitors; and capitalize on the sustainable attributes of the region.

Submitting a CEDS objectives 2019:

Please fill out an attached blank objective from to the best of your ability. I have included a printable version so you can print it off to hand write in your project to scan it or mail it back or a digital fillable template to type it in. If you chose to mail it please have it in the mail no later than Feb 15th 2019 as I can add objectives during the public comment period.

If you don't have all the answers now it is ok, getting something on paper is the first step, for an example see the "get it on paper" standard picture, (attached). The form includes things you will need to think about for your project eventually as shown in the "gold star" standard picture, (attached).

*Ideally all the objective items should be filled in completely and less than a page long. If you are unable to fill a half or whole page that's fine. Please try keep your objective to less than a page.

*Objectives should be projects you will be searching for full or partial funding for in the next year or so.

As always I am available to help you, my contact information is below.

Happy grant hunting!

Subject: Bristol Bay CEDS-free tool for Development solicitation for 2019 objectives.

Importance: High

Accessing the Tool

Who is the CEDS for?

Everyone, not just tribes.

What is the ask?

Be a part of our regions planning process and get regional support for your projects.

When do I get involved?

BBNA's Economic Development Program is asking for objectives now with a deadline of January 18, 2019, with a public comment period from January 25 to February 26, 2019.

Where do I go to get involved?

BBNA's Economic Development Program- contact information is below.

Why participate?

Participating in your regions planning process will often guarantee extra points with funding applications with your projects and vet your projects with our regions leaders (the CEDS steering committee).

Please forward this to Tribes. Has attachments.

The Bristol Bay CEDS is a Free Tool for turning dreams into development:

Every year BBNA's Economic Development Program compiles data and information on our region's economy for the **Comprehensive Economic Development Strategy (CEDS)**. The CEDS is a development tool for our region to; ***reduce redundancies, help your community obtain funds, plan for the future needs, and create partnerships.***

Funding and Partnership Opportunities with the BBCEDS

The Bristol Bay CEDS steering committee would love to support your projects, currently the CEDS is focused on but not limited to the following:

- **Fisheries:** Support development efforts within the fishing industry to promote the regions seafood and support existing fisheries opportunities in the region for the purpose of promoting local participation.
- **Workforce:** Collaborate as a region to strengthen Bristol Bay's work force through: education opportunities, promotion of small business, and combating substance abuse.
- **Transportation and Infrastructure:** Support Transportation and Infrastructure needs in the region to promote strong communities.
- **Energy:** Create long term energy security, support energy infrastructure development, and promote efficient use of existing energy-related resources within Bristol Bay.
- **Tourism:** Increase visitor-related opportunities; promote Bristol Bay as a destination for visitors; and capitalize on the sustainable attributes of the region.

Submitting a CEDS objectives 2019:

Please fill out an attached blank objective form to the best of your ability. I have included a printable version so you can print it off to hand write in your project to scan it or mail it back or a digital fillable template to type it in. If you chose to mail it please have it in the mail no later than Feb 15th 2019 as I can add objectives during the public comment period.

If you don't have all the answers now it is ok, getting something on paper is the first step, for an example see the "get it on paper" standard picture, (attached). The form includes things you will need to think about for your project eventually as shown in the "gold star" standard picture, (attached).

*Ideally all the objective items should be filled in completely and less than a page long. If you are unable to fill a half or whole page that's fine. Please try keep your objective to less than a page.

*Objectives should be projects you will be searching for full or partial funding for in the next year or so.

As always I am available to help you, my contact information is below.

Happy grant hunting!
