---

Hello Koliganek Residents,

We have discussed and decided on a few safety measures and precautions for our employees.

- For any sales transactions regarding; **gasoline/oil/electricity/water & sewer**

We ask that, if possible, pay over the phone with credit/debit card to lessen person-to-person contact.

- To follow the six feet apart rule, we will implement a "**Do Not Cross**" Line for the Post Office

Residents are no longer allowed to enter the lobby area or the post office therefore any and all packages will be given to you in a manner that follows the rule of social distancing.

- An area will be arranged for the public to use the fax machine.

Know that the fax machine will be used by more than one person, **please use at your own risk.**

- Bathroom will be closed off from the public. We will no longer serve residents coffee as well.

These essentials and necessities will be made only for employees to keep them safe.

- To meet the needs of safety and supplying residents with gasoline/oil, we have reduced the hours for the Gasman to work from 9:00am to 2:00pm

This will reduce the level of person-to-person contact and keep our employee's health and safety in mind.

- Tribal Administrator and Tribal Clerk are willing to work on shifts

To keep each employee's exposure low and to continue to serve the community of Koliganek.

- We will reduce the limit for residents to take out cash to **\$50.00**

We won't be able to get cash for the village with the epidemic increasing around us.

*If you have any questions or concerns, please contact the Village Council at (907)596-3434*
