Community of Nondalton,

With the COVID 19 virus, we would like to set a few guidelines in place for the safety of our community. (Please help us by keeping our SMALL REMOTE COMMUNITY SAFE!!)

Travel:

- Please put all Non-Emergent Travel outside of the community on hold until its safe.
- Any Nondalton Resident Returning from Anchorage or Out of state travel for personal or medical needs, **must self-quarantine for 14 days**.
- Any Nondalton Resident Returning from work such as (firefighting, commercial fishing, mining, slope, any work-related duties outside of Nondalton) will need to self-quarantine for 14 days.
- Any Non-Nondalton Resident coming into the community for Subsistence use, must self-quarantine at your place of residence for 14 days.
- Non-Alaskan Residents are NOT allowed in Nondalton until they have received the COVID-19 test prior to entering the community. Individuals MUST Self Quarantine at their place of residence and abide by the Alaska State Travel Guidelines.
- All Lodge owners, clients and employees must wear a face covering when in our community. Please use a designated runner for entering the Post Office, City Hall and Clinic. Our community will be closed during this time of the COVID-19 pandemic. Please call ahead to make a order with our local store and it may be delivered or you may pick up from the store.

Face Coverings

- All Residents whether resident or not, MUST Wear a face covering when entering the City Hall, Post office, Clinic, Tribal office, Community Building, Church, Neighboring communities and any place other than your personal home. This is to help protect others and your-self.

Social Gatherings:

- No social gatherings at our Community Building, Tribal Office, church until further notice. (No BINGO, No Gambling, No movie nights, No personal use of the community building.)

Self-Quarantine: is known as staying inside of your place of residence/home/fish-camp/lodge etc. for 14 days. No visiting in other Nondalton resident's homes until your quarantine is over. Other family members who reside in your place of residence will then have to quarantine from work and public places as well.)

If we have any case/cases of COVID 19 in our community, our community will enter in a Lockdown phase. This will mean no one coming or going out of the community until the case/cases have been investigated and all community members are safe. Only Essential Medical staff will be authorized to enter and leave the community. We will abide by the CDC and Alaska State guidelines on the case/cases.
