

# IS THE CEDS FOR US?

Is your organization doing anything to stimulate the economy within the five goals listed below?

Fisheries, Workforce, Energy, Transportation & Infrastructure, and Tourism

Does your organization search for funding opportunities?

Federal, State, Foundation, and Private Opportunities

Would your organization like to do more in assisting your community for the better?

Building More Resilient Communities

Does your organization or community have wishes to take an idea/project to the next level?

Move Ideas Forward

If you answered yes to any of these questions, the CEDS is for you!

The CEDS is a development tool for our region to; reduce redundancies, help your community obtain funds, plan for the future needs, and create partnerships.

**Still not sure if the CEDS is for your line of work?**

Contact Kristina Andrew at BBNA's Economic Development Program to find out if the CEDS can help with your line of work.
