

Ordinance 2022-01-21

COVID-19 Protocol ORDINANCE

(Supersedes ordinance 2021-09-8)

As of January 20, 2022

Due to the dramatic increase in cases in Anchorage and the many break-through cases of COVID-19, the following amended ordinance is as follows.

Mask Mandate will be reinstated until further notice. You must wear a mask over your nose and mouth when in any public facilities, especially after returning from travel

Prescreening activity will be reinstated at the local school.

When to Stay Home:

- Stay home if you have been potentially exposed by someone outside your home to someone who has tested positive for COVID-19 for 5 days and take extra precautions for an additional 5 days. Test for COVID-19 at day 5 and day 10.
- Stay home if you are sick, or a household member is sick
- Get tested for COVID-19 if you or a household member is sick
- If anyone tests positive for COVID-19 with a home test it is recommended that you contact the clinic immediately and get a secondary test completed.

When Active Case(s) in the Village:

- The positive individual and household members must quarantine for 10 days even if there are no symptoms.
- It is recommended that the positive individual additionally isolate from household members
- After the 10-day quarantine If the positive individual no longer has any symptoms and all household members test negative day 10, they no longer need to quarantine.
- If other household members test positive, the household must restart the 10-day quarantine.
- School needs to go to virtual learning if there are any active cases in the village. Evaluation of the situation weekly by COVID team/village council will occur. Students and staff will need to test prior to return to school.
- Mask Mandate must be reinstated if not already. You must wear a mask over your nose and mouth when in any public facilities
- Recommendation that residents stay within the extended family pods. Extended family pods could include great-grandparents on down.

Travel Requirements

- At least 72 hours prior to flying into the village, please notify the Chignik Lagoon Clinic of your travels

CHIGNIK LAGOON VILLAGE COUNCIL
PO Box 9, Chignik Lagoon, AK 99565
clvcoffice@gmail.com

- Adults and children who are traveling into Chignik Lagoon need to have a negative Covid-19 test within 72 hours of planned travel. All travelers returning to Chignik Lagoon will be required to quarantine for 10 days after which another COVID-19 test will be required.
- If considered an essential worker then CDC guidelines will apply- social distance, wear mask, and test daily for 10 days
- If you or all your household do not want to get a covid-19 test, your household will need to quarantine for 14 days.
- - Inner village travel is open if person is going by skiff or boat only between Chignik Lake or Chignik Bay

This ordinance will be updated on a quarterly or as needed basis.

Thank you for your part in keeping our community safe.
