Ordinance 2022-02-11

COVID-19 Protocol ORDINANCE

(Supersedes ordinance 2021-01-21)

As of February 11, 2022

Due to the dramatic increase in cases in Anchorage and the many break-through cases of COVID-19, the following amended ordinance is as follows.

Mask Mandate may be reinstated if there is a positive case within the village.

Prescreening activity will be reinstated at the local school.

When to Stay Home:

- Stay home if you have been potentially exposed by someone outside your home to someone who has tested positive for COVID-19 for 5 days and take extra precautions (masking, social distancing, etc) for an additional 5 days. Test for COVID-19 at day 5 and day 10.
- Stay home if you are sick, or a household member is sick
- Get tested for COVID-19 if you or a household member is sick
- If anyone tests positive for COVID-19 with a home test it is recommended that you contact the clinic immediately and get a secondary test completed.

When Active Case(s) in the Village:

- The positive individual and household members must quarantine for 10 days even if there are no symptoms.
- It is recommended, if possible, that the positive individual additionally isolate from household members
- After the 10-day quarantine If the positive individual no longer has any symptoms and all household members test negative day 10, they no longer need to quarantine
- School needs to go to virtual learning if there are any active cases in the village. Evaluation of the situation will occur between the village council and the School District COVID team to determine duration.
- Students and staff will need to test prior to return to school.
- Mask Mandate will be reinstated during the length of the active case(s). You must wear a mask over your nose and mouth when in any public facilities
- Recommendation that residents stay within the extended family pods. Extended family pods could include great-great-grandparents on down.

Travel Requirements

- At least 72 hours prior to flying into the village, please notify the Chignik Lagoon Clinic of your travels

CHIGNIK LAGOON VILLAGE COUNCIL
PO Box 9, Chignik Lagoon, AK 99565
clvcoffice@gmail.com

- Adults and children who are traveling into Chignik Lagoon need to have a negative Covid-19 test within 72 hours of planned travel. All travelers returning to Chignik Lagoon will be required to quarantine for at least 7 days after which another COVID-19 test will be required.
- If you or someone in your household whom you are traveling with are not up-to-date on vaccinations (including boosters to those eligible), then the household will need to have a negative covid test prior to coming into the village and a 10-day quarantine is necessary
- If considered an essential worker or family member of one, contact Chignik Lagoon Clinic to determine status. You will need to social distance, wear mask, and test at day 5, day 8 day 10.
- If you or all your household do not want to get a covid-19 test, your household will need to quarantine for 14 days.
- Inner village travel is open if person is going by skiff or boat only between Chignik Lake or Chignik Bay

This ordinance will be updated on a quarterly or as needed basis.

Thank you for your part in keeping our community safe.
