

Webinar: Census Data for Grant Writing

Are you looking for data for your grant application? This workshop will teach you how to access demographic, socioeconomic and housing data from the Census Bureau that can be used for your grant writing.

Participants will learn:

- ✓ How to navigate data.census.gov to access community level data.
- ✓ What census data profiles and data sets provide the best information for your grant.
- ✓ About the American Community Survey (ACS) and other Census Bureau programs, geographies, and datasets available.
- ✓ How to use other data tools and apps that can help you better understand your community.
- ✓ How to use thematic mapping tools, access tables and other Census Bureau grant writing resources.
