

PORTAGE CREEK VILLAGE

LONG-RANGE TRANSPORTATION PLAN COMMUNITY MEETING

Come provide your input on the draft 2024 Long-Range Transportation Plan (LRTP) update for Portage Creek Village. This plan covers future road improvements, project priorities and expansion of transportation infrastructure. The plan can be viewed at the Bristol Bay Building, Third Floor Large Conference Room in Anchorage, Alaska during the meeting, or by request from the Tribe. The entire community is encouraged to join virtually and learn about the plan and provide valuable insight for the future transportation projects and strategies for our community.

Invite your friends and family so more of the community is represented.
