

Youth Employment

The Youth Employment Program is available for youth between the ages of 14-24 residing in the Bristol Bay Region. The program is designed to provide valuable work skills and identify areas of interest which can lead to short-term employment opportunities and long-term careers.

Youth ages 14 and 15 will not be placed into a work site.

Instead, they will be mailed four weekly work readiness academic packets. Each packet needs to be completed and will be graded. Youth achieving at least a 75% will receive a benefit payment of \$250.00 per weekly packet. Youth can earn up to \$1000 for completing the entire session.

Youth ages 16-24 will be placed on a work site this year.

Due to limited work sites, all work sites are filled on a first come, first served basis. **We encourage youth to seek job placements in areas of interest.** Applicants with a complete application who are not offered a work site will be offered an opportunity to complete a work readiness packet.
